THE LEADER IN AUTOMOTIVE AND TRUCK SECURITY PRODUCTS

User Friendly

- Step-by-step instructions on easy-to-use touch screen display
- Make/Model/Year look-up
- Self-calibrating; no manual adjustments necessary
- Indicates cutter wear to eliminate costly mis-cut keys
- On-board code updating
- Fast, clean, quiet

Also Available for your BD Laser: Run Clean Vacuum System

- Automatically turns on whenever a key is being cut, providing a clean and safe working surface.
- Keeps the cutter running cooler, extending its life expectancy.

F Jaw

- Enables your BD Laser to cut edge-cut style keys.

Secure

- Password protection
- Records every key cut

Safe

- Emergency stop button
- Designed without pinch points
- Cutter is not exposed to fingers

BD LASER™

The Only Electronic Code Cutter & Duplicator for High Security & Edge-Cut Keys designed specifically for the Automotive Dealer
