DISTRIBUTION
A business of BARNES GROUP INC

MAXIMIZE UPTIME WITH MRO SOLUTIONS DESIGNED AROUND YOU

Maximizing production uptime, while maintaining food and worker safety is your top priority.

Ensuring that you have the small parts and consumables you need to meet these responsibilities is our top priority.

Barnes Distribution offers a complete solution for your small parts and consumable supplies. Our solution enables you to consolidate suppliers, reduce transactions, eliminate the need for parts chasing and streamline your inventory so you can focus on the important issues in your plant.

Barnes Distribution helps keep your plant running by providing:

- Customer driven, vendor managed inventory solutions designed to put you in control
- An extensive product offering providing single-source supply for small parts and consumable items
- Advanced technologies that streamline your procurement process
- A state-of-the-art logistics network to ensure you get the products you need
- Innovative cost containment solutions that lower your total cost of ownership

All this and more from one partner: Barnes Distribution
