

## Multipurpose Smart Green<sup>®</sup> Lubricant

Lubfix<sup>®</sup> is a Smart Green<sup>®</sup> formulation with the staying power to outlast heavy usage on door hinges and overhead door systems. Lubfix<sup>™</sup> cleans and protects sticky surfaces and loosens rusted parts without the use of silicone or teflon.

LubFix is perfect for that squeaking hinge, the sliding track door that keeps getting stuck or that stiff, rusting chain - anywhere there are squeaks and creaks!

- The Green WD40
- Apply as needed to metal surfaces and mechanisms such as unenergized electric motors and industrial machinery, slides, locks, hinges and casters.
- A light spray on metal tools will prevent rust and corrosion.
- Use anywhere there are squeaks and creaks!

<b>Item Number</b>	<b>BET-0001</b>
<b>Container Size</b>	<b>8 fl oz.</b>
<b>Product Description</b>	<b>LubFix</b>
<b>Cans Per Box</b>	<b>12</b>
<b>Product Appearance</b>	<b>Amber</b>
<b>Odor</b>	<b>Slight</b>
<b>Solvent System</b>	<b>Ester/Mineral Spirit Blend</b>
<b>Propellant</b>	<b>Nitrogen/Carbon Blend</b>
<b>Spray Pattern</b>	<b>Stream</b>
<b>VOC%</b>	<b>Less than 50%</b>
<b>VOC Compliant for CA &amp; OTC</b>	<b>Yes</b>
<b>Biodegradability</b>	<b>Greater than 90%</b>

- 🌍 **Green solvents made from soy**
- 🌍 **Nitrogen/carbon as a fill in our cans, it is the most inert gas and beneficial to the environment**
- 🌍 **Recyclable and biodegradable packaging, printed with soy ink**
- 🌍 **Aluminum can reduces shipping costs, lowers CO<sup>2</sup>**

**Low VOC'S** 🌍 **No Carcinogens** 🌍 **90% BIODEGRADABLE** 🌍 **Non-Toxic**

## Smart Green<sup>®</sup> Soy Lubricant

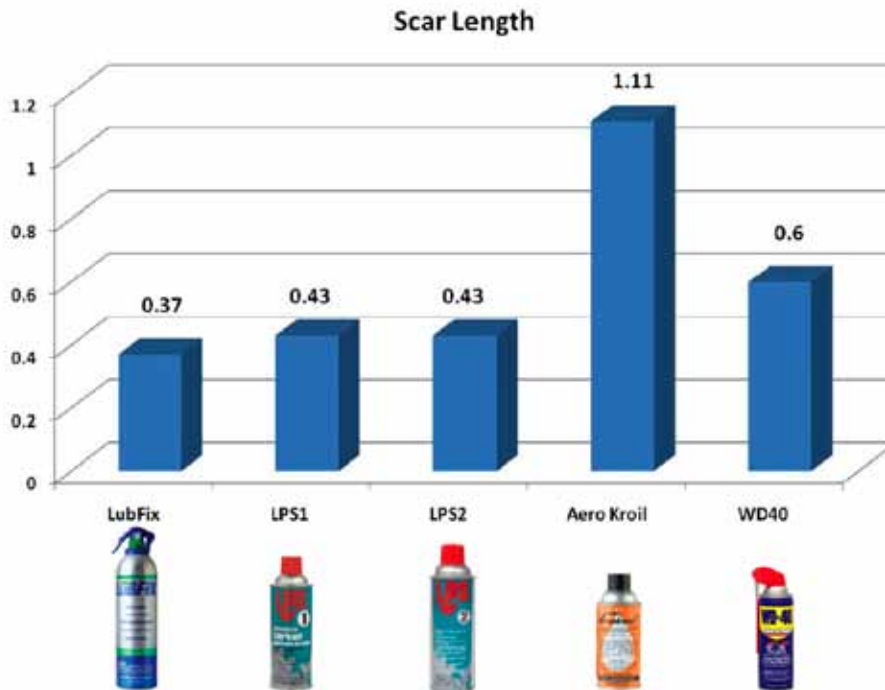

### Applications

<b>Application</b>	<b>Usage</b>
<b>Vehicle Equipment</b>	Clean & Lubricate Vehicles, ATV's, Motorcycles, and Off-Road Equipment
<b>Facility</b>	Eliminate Squeaks on Rubber to Metal contact. Removes Adhesive Residue.
<b>Hand Tools</b>	Protect Tools from Rust
<b>Production Line Maintenance</b>	Quickly Lubricate and Clean Conveyors • Lubricate Pulleys • Prevent Surface Rust in Damp Environments
<b>Marine</b>	Prevent Rust & Corrosion on Tools • Lubricate Cables and Lines
<b>Military</b>	Gun Cleaner and Protectant • Gun Lubricant Field Applications

### 4 Ball Wear Test

Scar length (shorter SCAR shows better protection)
