

Cleaning & Degreasing Wipes

Grime Off™ provides instant cleaning of greasy and grimy surfaces! Use fewer wipes and get stronger cleaning power. A biodegradable wipe and biodegradable solution provide green benefits.

This isn't a flimsy little wipe that's going to dry out and tear during use. It is thicker cloth sized at 7" x 12" for a complete cleaning application. Manage that instant cleaning power without using costly water and time!

- Clean wheel rims to a bright shine.
- Great for use on greasy tools and parts.
- Removes film and grime from hands and surfaces.
- Perfect for work surfaces, one wipe will clean an entire work bench.
