

## HEAVY DUTY Foaming Spray Degreaser

Grime Off™ Foaming Aerosol Degreaser can be used in a variety of industries, including: food processing and preparation, transportation, construction, hospitality, schools and more. Grime Off reduces labor costs by accelerating the degreasing process and preventing the re-deposit of waste onto cleaned surfaces.

- Degreases machinery and parts without the use of toxic solvents.
- Removes brake dust, grease and grime from vehicles, trucks, service and off-road equipment.
- Can be used to clean trucks, Big Rigs, 4 x 4's and other large vehicles to prevent the adherence of mud and grease.
- Use as a coil cleaner to improve efficiency in HVAC systems by removing dust and grime from condenser coils.

Chlorine Free  
Non-Toxic  
Non-Flammable  
Non-Reactive  
Non-Corrosive  
Non-Carcinogenic  
Non-Caustic  
Biodegradable

Size	12 oz
Item Number	BET-0032
Cans per Box	12
VOC %	Zero
VOC Compliant for CA & OTC	Yes

**Zero VOC'S**  **No Carcinogens**  **100% BIODEGRADABLE**  **Non-Toxic**

## HEAVY DUTY Foaming Spray Degreaser

### Applications

(See dilution guidelines on packaging)

<b>Application</b>	<b>Usage</b>
<b>Multi-Purpose Hard Surface Cleaner</b>	Perfect for use on greasy kitchen surfaces, shop work areas, and other non-porous surfaces.
<b>Tile &amp; Grout</b>	Safe for use to clean grout and tile. Spot applications include bathroom and food preparation areas.
<b>Stove Hood Degreasing</b>	Quickly penetrate and dissolve grease using standard equipment.
<b>Duct Cleaning</b>	Eliminate grease, dust, mold, and other contaminants from commercial and industrial duct systems.
<b>Evaporator Coil Cleaning</b>	Improve efficiency in HVAC by removing grease, dust and grime from condenser coils.
<b>Wax Removal</b>	Completely remove wax from facility floors and fleet vehicles.
<b>Concrete Cleaner</b>	Quickly penetrate and dissolve grease, oil, and dirt from concrete, linoleum, and other non-porous surfaces.
<b>Truck &amp; Heavy Machinery Cleaner</b>	Fleet maintenance professionals can quickly remove road grit and carbon from tractor trailers, bulldozers, backhoes, and more.
<b>Airplane Cleaner</b>	Airline maintenance professionals can remove brake dust, grease, and soot from landing gear and other exterior surfaces.
<b>Parts Degreaser</b>	Degrease parts without toxic solvents providing a fume free environment for workers.
