

Battery Terminal Coating

3165

- Heavy-duty acrylic compound — hardens to a thin, highly protective coating; withstands scratching and most all chemicals; long service life
- Anti-corrosion agents prevent battery acid damage to terminals; increases battery life; eliminates hard starting problems
- Yellow coloring allows easy identification of protected area; eliminates waste
- Replaces Bowman No. 21908 and No. 242902

Part No.	Contents	Unit
BD1072	20 oz. aerosol; 14.75 oz. net wt.	6

NOCO Battery Corrosion Preventative

15316

- Use after installing Battery Terminal Protectors to prevent corrosion of terminals, battery and hold-downs
- Provides a thick red coating that helps to restore lost voltage in old batteries and makes new battery installation complete

Part No.	Contents	Unit
C28274	16 oz. aerosol; net wt. 12 $\frac{3}{4}$ oz.	12

Battery Terminal Protectors

3167

- Heavy-duty felt construction — won't rip or tear; long service life
- NCP-2 impregnated — prevents corrosion; extends battery and starter life
- Rings are 13/8" O.D. x 11/16" I.D. x 1/8" thick — fits positive and negative post terminals

Part No.	Contents	Unit
21949	100 washers	100

Battery Terminal Protectors

15320

- Use these felt rings impregnated with corrosion preventative to stop corrosion at the source
- Rings will not dry, evaporate or crack due to temperature fluctuations

Part No.	Description	Unit
C88101	Top Terminal	50 Rings
C28218	Side Terminal	50 Rings

Electronic Cleaners

Precision Parts Cleaner

5450

- High purity electronic cleaner
- Contains no chlorinated solvents
- Dries rapidly
- Leaves no residue
- Does not contain CFC 113
- Effectively removes contaminants from circuit boards, electrical and electronic components and contacts
- Safe on most sensitive plastics
- Dielectric strength — 22,600 volts
- Extremely flammable
- USDA Rating: K2
- Not for sale or use in California, OTC or LADCO states

Part No.	Contents	Unit
21939	11 oz. net wt. aerosol	12

NOTE: Not for use on energized equipment.

CRC® Lectra-Motive® Electric Parts Cleaner

13053

- No flash point
- High dielectric strength of 26,000 volts
- Fast evaporation
- Material safety data label
- Leaves no residue
- NSF # 136564 (K2 Rated)

Part No.	Contents	Unit
05018	20 oz. aerosol	12

High Tech Electronic Cleaner

30480

- Non Flammable
- Evaporates quickly; leaves no residue
- Non-conductive and non-corrosive
- Effectively cleans electrical and electronic components to maintain peak operating performance
- Quickly removes flux, light oils, and other contaminants
- Dielectric strength — 21,000 volts
- Safe for metals surfaces and most plastics; test area first
- Do not use on Lexan plastic

Part No.	Contents	Unit
BD1044	20 oz. aerosol can; 20 oz. net wt.	12

Electronics Cleaner AF

15296

- Non flammable
- Cleans oil, grease, dirt, condensation and moisture from circuit boards, precision instruments, oxygen equipment, controls, switches and motors
- Fast drying, formula dries residue free
- 26,000 dielectric strength
- Safe for most plastics; test on inconspicuous area first
- Do not use on Lexan plastic, styrene or polystyrene

Part No.	Contents	Unit
77193	16 oz. aerosol; net wt. 14 oz.	12

Chill-it

6179

- Excellent product for cooling circuits
- Pinpoint spray used to freeze small parts
- Shrinks fitting of small parts
- Spots faulty electronic connections due to thermal intermittences
- Prevents overheating of parts adjacent to soldering and heat testing
- Used to trouble shoot faulty electronic connections
- Removes chewing gum easily
- Non-flammable

Part No.	Contents	Unit
BD1146	12 oz. aerosol can, 12 oz. net wt.	6

Air Duster

32698

- Removes contaminants from electronic equipment
- Ultra pure, non CFC gas
- Use on keyboards, PCs, phones, calculators, precision office equipment
- Non-conductive, plastic safe
- Moisture and residue free
- Non-flammable

Part No.	Contents	Unit
BD1477	12 oz can; 10 oz. net wt	12

Cleaners

Contact Cleaners

Contact & Circuit Board Cleaner III

15298

- Flammable; only use on de-energized equipment components and equipment
- Easily cleans oil, grease, flux, dirt and other contaminants from contacts, printed circuit boards, precision instruments, switches and motors
- Quick drying, non-conductive formula leaves no residue
- Allow to dry and fumes to evacuate before power is returned
- Safe for use on plastics and metal
- Does not contain CFCs, HCFCs or other ozone depleters

Part No.	Contents	Unit
C28511	16 oz. aerosol; net wt. 11 oz.	12

CRC® Contact Cleaner & Lubricant

13051

- Flammable
- Highly pure and penetrating
- Removes grease, oil, dirt and other contaminants
- Leaves behind a protective, non-hardening film
- Non-chlorinated
- NSF # 017389 (H2 Rated)

Part No.	Contents	Unit
03140	10 oz. NW aerosol	12

CRC® Contact Cleaner 2000

13050

- No flash or fire point (Non flammable)
- No Class 1 ozone depleting chemicals
- Fast evaporation
- Material safety data label
- Leaves no residue
- NSF # 017391 (K2 Rated)

Part No.	Contents	Unit
03150	14 oz. NW aerosol	12

SAFETY SUPPLIES

CRC® Industrial Contact Cleaner

13047

- Advanced Technology Blend for all precision cleaning applications
- Non-flammable and plastic safe
- Contains no VOCs or class I or class II ODCS
- NSF # 017390 (K2 Rated)

Part No.	Contents	Unit
03070	14oz. NW aerosol	1

CRC® QD® Contact Cleaner

13046

- For bench top cleaning applications requiring rapid turn-around and where flammability is not an issue
- Aggressively removes light oils, dirt and fingerprints
- Won't damage plastics
- NSF # 017407 (K2 Rated)

Part No.	Contents	Unit
03130	11 oz. NW aerosol	12

CRC® PF® Precision Contact Cleaner

6614

- Non-flammable
- Safe on plastics
- Fast evaporating, no residue
- 19,000v dielectric strength
- Effectively cleans electrical and electronic parts
- Contains no Class 1 ozone depleting chemicals
- NSF #122781 (K2 Rated)

Part No.	Contents	Unit
21936	14 oz. NW aerosol	12

Solvent Degreaser

Safety Solvent III

3132

- Breaks down the toughest grease and grime quickly and effectively; saves labor time
- Non-flammable — contains chlorinated solvents
- Non-corrosive — won't damage metals
- Film-free formula leaves no residue; no extra clean-up work required
- Dielectric strength: 26,000 volts
- Non-staining — no extra clean-up chores
- May be harmful to certain plastic, rubber and painted surfaces; test on small area prior to use

Part No.	Contents	Unit
BD1501	20 oz. aerosol; 18 oz. net wt.	12

Gorilla Cleaner Safety Solvent

16233

- Our toughest safety degreaser — non-flammable, non-conductive, fast evaporation
- Increases the life of equipment by removing foreign material
- Dielectric strength: 37,000 volts
- Contains chlorinated solvents

Part No.	Contents	Unit
BD1049	20 oz aerosol; 18 oz. nt. wt.	12

Solvent Degreasers - General Purpose

Best Darn Degreaser

16300

- Non-chlorinated, fast drying cleaner
- Ideal for industrial and automotive use
- Removes grease, oil and contaminants from small parts, tools and machinery
- High power spray penetrates through built-up grim to produce quick, satisfying results
- Fast evaporation — Flammable
- Do not spray on painted, rubber or plastic materials
- One trigger sprayhead is packaged in each box of BD1148
- Extra sprayheads can be ordered using No. C39410
- 16 fl. oz. can is refillable from the one and five gallon containers
- Not for sale or use in California, OTC or LADCO states

Part No.	Contents	Unit
BD1064	20 oz. aerosol, 12.25 oz. net wt.	12
BD1148	16 fluid oz.	6
BD1150	Five gallon	1

BDC Multi-Purpose Cleaner - Low VOC Formula

20114

- California VOC Compliant
- Non-chlorinated, fast drying cleaner
- Ideal for industrial and automotive use
- Removes grease, oil and contaminants from small parts, tools and machinery
- High power spray penetrates through built-up grim to produce quick, satisfying results
- Fast evaporation — Flammable
- Do not spray on painted, rubber or plastic materials
- Low VOC formulation

Part No.	Contents	Unit
BD1153	20 oz. aerosol; 12.25 oz net wt	12

Citrus Degreaser

30509

- Active formula quickly penetrates and dissolves stubborn greases, oils, sludge, tar, adhesive residue, etc.
- High volume delivery provides force to attack even the most heavily soiled areas
- Contains no ozone depleting compounds
- Biodegradable and non-toxic for a safer product and a cleaner environment
- Use to remove grease, oil, sludge, tar, asphalt, inks, adhesives, tire marks, blood, resins and waxes from engines, automotive and fleet components, off-road construction equipment, industrial machinery, tools, printing equipment, chains, gears, ovens, grills, etc.

Part No.	Contents	Unit
KP83561	20 fl. oz aerosol	6

BD Citrus Solve

16113

- Multi-purpose, fast acting degreaser
- A natural solvent based formula for removing oil, grease, tar, and other contaminants from most hard surfaces
- Non-chlorinated and non-conductive with a mild citrus scent
- No rinsing or wiping required
- Safe on most painted surfaces and plastics, but test on remote area
- Not for sale or use in California, OTC or LADCO states

Part No.	Size	Unit
BD1021	20 oz. aerosol	12

BD Citrus Solve - Low VOC

32714

- Compliant and available for sale or use in California & OTC States
- Multipurpose, fast acting degreaser
- A natural solvent based formula for removing oil, grease, tar, and other contaminants from most hard surfaces.
- Non-Chlorinated and non-conductive with a mild citrus scent
- No rinsing or wiping required
- Safe on most painted surfaces and plastics: Test on a remote area prior to use

Part No.	Size	Unit
BD1190	20 oz. aerosol (15.25 oz. net wt.)	12

140° Flash Parts Cleaner

20413

- Non-hazardous EPA approved cleaning solvent with a 140°F flash point - less combustible than lower flash cleaning solvents
- 100% virgin mineral spirits formula cleans longer and faster than reprocessed or recycled solvents that may still have contaminants
- Rapidly dissolves grease, oil, varnish, carbon, brake fluid, etc. from ferrous and non-ferrous surfaces including aluminum, brass, copper, stainless, bronze, etc.
- Pull up spout built into the lid of metal pail
- Disposal of spent solvent with waste oil or other means should be in accordance with applicable federal, state or municipal regulations
- Not recommended for parts washers with heating elements

Part No.	Contents	Unit
347370	5 gallon pail	1

CRC® Heavy-Duty Degreaser®

13054

- Non-flammable, non-ozone depleting chlorinated cleaner/degreaser
- Removes most tough industrial soils to maximize equipment performance
- Evaporates rapidly and dries residue free
- Meets OECD 301B standards for biodegradability
- NSF # 017395 (K2 Rated)

Part No.	Contents	Unit
03095	20 oz. aerosol	12

Paint & Gasket Removers

Gasket, Decal & Paint Remover 2269

- Heavy-duty solvent compound dissolves gaskets, decals, paints, carbon deposits, etc. quickly and effectively; no costly scraping time required
- Removes all types of paints, enamel, lacquer, epoxy, shellac, polyurethane and varnish
- Thick clinging formula adheres to vertical surfaces; no runny mess
- Anti-drying agents keep remover in workable state for long time; saves re-application costs
- Fast acting chemistry — saves labor time
- Safe for metals, glass, wood, concrete, plaster and masonry surfaces
- Do not use on plastics, vinyl, cloth, tile or linoleum
- Not for sale or use in California, OTC or LADCO states

Part No.	Contents	Unit
BD1065	20 oz. aerosol can; 18 oz. net wt.	12

Gasket, Decal & Paint Remover - MC Free Formula 20115

- Heavy-duty solvent compound dissolves gaskets, decals, paints, carbon deposits, etc. quickly and effectively; no costly scraping time required
- Removes all types of paints, enamel, lacquer, epoxy, shellac, polyurethane and varnish
- Thick clinging formula adheres to vertical surfaces; no runny mess
- Anti-drying agents keep remover in workable state for long time; saves re-application costs
- Fast acting chemistry — saves labor time
- Safe for metals, glass, wood, concrete, plaster and masonry surfaces
- Do not use on plastics, vinyl, cloth, tile or linoleum
- Does not contain methylene chloride or other chlorinated solvents
- Not for sale or use in California, OTC or LADCO states

Part No.	Contents	Unit
BD1155	20 oz. aerosol; 17.5 oz. net wt.	6

CRC® Gasket Remover 13058

- Flammable
- Works quickly
- Loosens carbon deposits
- Protects equipment surfaces
- Excellent paint, varnish, and graffiti remover
- NSF # 017394 (C3 Rated)

Part No.	Contents	Unit
03017	12 oz. NW aerosol	12

Graffiti Removers

Remove All Graffiti Remover 2245

- Heavy-duty industrial compound effectively removes magic marker ink, spray paint, ball point ink, crayons, tars, lipstick, scuff marks, stencil and mimeo ink
- Surface-safe formula — harmless to hard surfaces such as brick, aluminum, steel, formica, brass, chrome, porcelain, marble, ceramics
- Directional spray nozzle precise, easy application
- Ideal for wash room facilities, vending machines, buildings, bridges, signs and similar graffiti targets
- Exercise caution when using on synthetic surfaces such as rubber, asphalt tile, some paints and plastics
- Not for sale or use in California, OTC or LADCO states

Part No.	Contents	Unit
BD1067	20 oz. aerosol; 15.50 oz. net wt.	6

SAFETY SUPPLIES

Gel Graffiti Remover

16097

- Thick, clinging gel formula stays on where applied which maximizes cleaning; no waste caused by run-off
- Special blend of solvents provides a powerful, penetrating, cleaning action upon contact; maximum results with minimum product; economical
- Multi-surface rated — works on hard surfaces such as: steel, chrome, porcelain, aluminum, formica, brick, brass, marble, and concrete
- Ideal for removing typical graffiti compounds such as: lipstick, tar, paint, ink, crayon, and magic marker
- Do not use on rubber, tile or plastics
- Not for sale or use in California, OTC or LADCO states

Part No.	Contents	Unit
BD1066	20 oz. aerosol; 14.5 oz. net wt.	12

Chemicals are sold in full unit packages.

Scrubs® Graffiti & Spray Paint Remover

6887

- Effective wipe removes graffiti in one step
- Works on paint, marking pen, lipstick, grease and ink
- Use in municipal, industrial and institutional locations
- Safe on hard, non-porous surfaces — metals, porcelain, formica and baked enamel paints
- Not recommended for flat or semigloss painted surfaces
- Wipe affected area, allow to saturate, remove with circular motion

Part No.	Contents	Unit
90130	30 wipes - size 10 1/4" x 12 1/4" ea. ea.	1

Adhesive Remover

Super Solv Adhesive Cleaner

15314

- Same as Acryl-Clean
- Removes excess adhesive or sealer including vinyl top adhesives
- Removes tar, road film, silicones and waxes
- Removes grease, oil, undercoating and dirt
- Not for sale or use in California, OTC or LADCO states

Part No.	Contents	Unit
BD1151	1 Qt. (.95 L)	12
BD1063	20 oz. aerosol; 13 oz. net wt.	12

3M® Adhesive Cleaner

20415

- Removes excess adhesive or sealer including vinyl top adhesives
- Removes tar, road film, silicones and waxes
- Removes grease, oil, undercoating and dirt
- Not for sale or use in California

Part No.	Contents	Unit
KP67950	1 quart	1

Engine Degreasers

Engine Degreaser

3145

- Petroleum penetration agents break down and emulsify encrusted grease, grime, oil, and other chemicals commonly found on and around engines; no time-consuming scrubbing required
- Use on all types of engines, tools, machinery, grills, fans and even grease spots on concrete
- Non-staining — no extra clean-up required
- Water rinseable — quick, economic rinsing
- Plastic-safe formula will not damage wire insulation or plastic parts
- Removes tar and tree sap without harming painted surfaces; just spray on damp cloth and wipe

Part No.	Contents	Unit
BD1054	20 oz. aerosol; 16.25 oz. net wt.	6
BD1057*	5 Gallon	1

* Not for sale or use in California, OTC or LADCO states

Gel Engine & Equipment Cleaner/Degreaser - Low VOC

32713

- Thick, clinging gel formula stays on where applied; no waste caused by run-off
- Special blend of solvents provides a powerful, penetrating, degreasing action; maximum cleaning with minimum product; economical
- Water rinseable
- Residue free — rinses clean
- Plastic-safe formula won't damage wire insulation or plastic parts

Part No.	Contents	Unit
BD1194	20 oz. aerosol (14.75 oz. net wt.)	6

Gel Engine & Equipment Cleaner/Degreaser

16098

- Thick, clinging gel formula stays on where applied; no waste caused by run-off
- Special blend of solvents provides a powerful, penetrating, degreasing action; maximum cleaning with minimum product; economical
- Water rinseable — quick, economic rinsing
- Residue-free — rinses completely clean
- Plastic-safe formula won't damage wire insulation or plastic parts
- Not for sale or use in California, OTC or LADCO states

Part No.	Contents	Unit
BD1053	20 oz. aerosol; 14.75 oz. net wt.	6

Chemicals are sold in full unit packages.

Citrus Degreaser

16302

- Citrus based degreaser removes grease and grime to produce quick, satisfying results
- Use on engines, machinery, tools, farm and landscaping equipment
- Water rinseable
- Does not contain chlorinated solvents
- Will not harm paint, rubber or wiring when used as directed

Part No.	Contents	Unit
BD1058	20 oz. aerosol; 12.25 oz. net wt.	12
BD1061*	Five Gallon	1

* Not for sale or use in California, OTC or LADCO states

B'laster® Small Engine Tune-Up

15330

- Formulated for two and four-cycle engines
- Removes carbon, gum and varnish deposits for instant starting
- Restores power and compression
- Frees rings and valves, smoothes engine performance
- Removes moisture and helps prevent vapor lock stalling
- Great for use during off-season storage

Part No.	Size	Unit
C28230	16 oz. aerosol; net wt. 12 oz.	12

Hot Shot Engine Starting Fluid

3527

- Provides quick, smooth starting in all types of diesel and gasoline engines
- Reduces engine, starter, and battery wear
- Contains upper cylinder lubricant and corrosion inhibitor
- Effective to -65°F for cold weather starting

Part No.	Contents	Unit
19423	11 oz. net wt. aerosol	12

Kleen Start Starting Fluid

21181

- A priming fluid formulated to spray at extreme sub-zero temperatures, effective to -51° C (-60° F)
- Instantly starts all types of gasoline and diesel engines. Increases starter and battery life with fast positive starts
- Contains an upper cylinder lubricant to reduce drystart engine wear
- Can is designed to fit all standard injection brackets

D
36

Part No.	Description	Unit
+CD560759	221 g aerosol can	1

+Canada only

"Fast Start 65" Starting Fluid

20840

- 65% ethyl ether content with petroleum distillates is 100% combustible to trigger fast, easy starts in gasoline and diesel engines
- Starts all internal combustion engines in temperatures down to 65°F
- Contains upper cylinder lubricant and anti-corrosive agent to protect engine components and reduce engine wear
- A short 2 to 3 second spray into the air intake breather starts gasoline and diesel engines quickly to provide longer battery and starter life
- Safe to use in all internal combustion engines including automobiles, trucks, tractors, snowblowers, chain saws, outboard motors, lawnmowers, fractional horsepower engines, etc.
- NOTE: DO NOT use with flooded engines, glow plugs or pre-heat manifolds

Part No.	Contents	Unit
KP73047	16 fl. oz. can size; 10.4 oz. net wt.	12

Vehicle Cleaners

Super Auto clean

3181

- Concentrated automotive cleaner leaves a wax-like shine
- Thick, rich, clinging suds
- Remove Dirt, grease, oil, road film, insects, bird dropping, tree sap, exhaust film and gasoline as well as diesel residue
- Depending on soil condition dilution ratios will vary
- Does not remove existing wax
- Biodegradable
- Streak-free cleaning
- Dries quickly
- Can be used in a pressure washer, hose sprayed or manually applied
- Use with hot or cold, hard or soft water

Applications:

Cars, trucks, buses, boats, golf carts, mobile homes, RVs, taxis, delivery equipment, and transit vehicles.

Part No.	Contents	Unit
C21922	1 gallon	4
24465	5 U.S. gallon	1
24466	55 U.S. gallon Plastic drum	1

Specifications:

- Clarity: Clear
- Odor: Bouquet
- Color: Light amber
- Weight per Gallon: 8.42 lbs.
- Solubility in Water: 100%
- pH: 7.5 - 9.0
- Dilution Ratio Range: 1:22 to 1:64

Express Vehicle Cleaner

15254

- Polished protection
- Removes road film and exhaust track from trailers, cabs, truck bodies and other road machinery without brushing
- Good cleaner on floors and walls
- Non-yellowing on light colored paints
- Leaves a clean, streak-free surface
- Performs equally well in hot, cold, hard or soft water

Part No.	Size	Unit
+C67428	20 liter drum	1

Note: Curtis Canada Only

Car Wash Powder Detergent

3161

- Special detergent and emulsifiers break down and lift out grease and grime without harming the wax or polish
- Biodegradable
- Non-toxic, non-flammable
- Built-in foam stabilizers for controlled suds
- Water softeners permit excellent results with hard water
- Concentrated powder formula — 1 oz. cleaner per 21/2 gallons of water; economical

Part No.	Contents	Unit
21963	45 lb. net wt. canister	1

Route 66 Vehicle Wash

15251

- Biodegradable concentrated blend of detergents, emulsifiers, wetting agents and water softeners removes dirt and bugs from your vehicles quickly
- Clean engines without harming painted surface
- Built in rinsing action eliminates spotting
- Fast working, heavy-duty car and truck washer is intended for automatic car and high pressure washers
- Can also be used for hand washing; ideal for maintenance of auto and truck fleet and public transportation vehicles
- Dilution Ratio: 1/2 oz. per gallon of water

Part No.	Size	Unit
☐444623	1 gallon bottle	4
☐288501	5 gallon bottle	1
☐288502	55 gallon drum	1

Tire Kleen — Rubber & Tire Cleaner

16099

- Amazing foaming action instantly cleans and shines, simply spray it on and walk away
- No washing or wiping required
- Cures to an extra long-lasting protective shine
- Repels dirt, salt, road grime and protects from discoloration and oxidation
- Use when surface is wet or dry
- Use to clean and shine tires, under the hood rubber parts, rubber bumpers, floor mats, hoses, etc.
- Contains silicone

Part No.	Size	Unit
BD1087	20 oz. aerosol; 14.75 oz. net wt.	6

Air Conditioner Odor Control Treatment

16234

- Complete A/C and heating system treatment
- Designed to remove offensive odors caused by mildew, mold and fungus
- Easy to use aerosol sprays into external air inlets
- Fresh scent signals treatment is in progress

Part No.	Contents	Unit
BD1140	20 oz aerosol; 14 oz. net wt.	6

Protector: Vinyl, Leather, Rubber

15250

- Cleans, protects and beautifies vinyl leather and rubber in one quick, easy motion
- Dries quickly without streaking
- Water-based
- Unique silicone blend restores and conditions worn surfaces while repelling water, dirt and dust
- Highly active and durable
- Protects against sun rays, which dry out and crack, dull, harden and fade materials such as; vinyl seats, auto tops, mats, interiors, leather seats, boots, shoes, rubber tires, bumpers, seals, molding, mats, sealed wood and plastic
- Non-flammable, non-corrosive, odorless and safe to use
- Ready to use and should be applied with cloth, sponge or sprayer
- Extra sprayers are found on page E - 14, Part # 19029

Part No.	Size	Unit
BD1482	1 quart	12

Inside & Out SCRUBS®

13121

- Designed to penetrate, clean, condition, beautify and protect vinyl, rubber, leather and more
- One step cleaner and protectant
- For use on car, tires, dashboard, boat, RV, plane, bike, seats, and more
- Convenient and portable with no overspray

Part No.	Contents	Unit
905030	30 cloths — size 9.75" x 10.5"	1
C21642	30 cloths — size 9.75" x 10.5"	6

Equipment Degreasers

I - Chem® Multipurpose Solvent Degreaser

3178

- Water rinsable, solvent-based degreaser
- Used straight for greatest effectiveness or diluted 1:5 with water or kerosene for further economy
- Contains organic solvents, emulsifiers, penetrants, wetting agents and rust and corrosion inhibitors
- Quickly penetrates hardened greases, oils, sludges, slime, grime, dirt, waxes, tar, asphalt, cosmoline
- Dissolves, liquifies and breaks up the accumulations, easily washed
- Use as a pre-soak for difficult steam cleaning and pressure wash applications or as an immersion tank cleaner
- Safe on all types of metal and painted surfaces
- Cleans engines, equipment, tools, concrete, floors, bay areas, assemblies, and grease pots

Part No.	Contents	Unit
77194	1 U.S. gallon	1
77187	5 U.S. gallon	1

Specifications:

Color: Amber
 Appearance: Solvent-like
 Odor: Petroleum
 pH: N/A
 Weight per Gallon: 6.50 lbs.
 Flash Point: 116°F

C.I.D. — Citrus Industrial Cleaner/ Degreaser

3125

- Highly concentrated, biodegradable cleaner/degreaser
- Can replace harsh acids and alkalis, petroleum-based solvents and chlorinated solvents in many applications. This powerful organic solvent deodorizes and quickly emulsifies organic soils
- Fresh citrus scent

Special Applications:

Degrease engines, equipment, machines; degrease concrete; degrease and deodorize drains; remove mastick; parts cleaning compound; sewage plant deodorant; resin removal; bathroom deodorizing; sump cleaning/deodorizing; cutting/grinding fluid deodorizing additive; pre-spray to pressure washers; give added degreasing capabilities to "all purpose cleaners"; deodorize dumpster and garbage cans; remove adhesives; as cleaner additive for degreasing/deodorizing; remove chewing gum; tar and asphalt removal; ink and decal removal; porta john deodorizing; dissolve varnish/lacquer; remove tire marks from floors; parts cleaning compound additive for degreasing and deodorizing.

Cleaners

Water-Based Degreasers

Ox-Off Acid Cleaner

15245

- Rapidly effective, low odor, non-fuming, high sudsing acid base detergent
- Concentrated product may be used undiluted for severe encrustation of scale, mineral deposits, alkaline matter or diluted for economical removal of hard water formulations, soap scum, corrosion, lime build up or mortar spatters
- Cleans debris from brick and masonry surfaces, ceramic tile, mortar stone and metallic surfaces other than aluminum or magnesium
- Ideal for cleaning, degreasing and providing a light etch to concrete floors
- Apply to surface by mopping, spraying, brushing or immersion in solution
- A3 Acid cleaner for all departments
- Light blue color with sassafras fragrance
- pH = 1.0; contains hydrochloric acid

Part No.	Contents	Unit
77191	5 gallon (18.9 L)	1

Power Blend Concentrate System

20893

- Solvent free
- Corrosion inhibitors and water conditioner
- Formula retards flash rusting
- Easy film free rinsing
- Use in steam cleaners and pressure washers as hot water and pressure increase cleaning power
- After dilution safe to use with a mop, sponge, abrasive pad, etc.

Formula One Heavy Duty Cleaner & Degreaser

- Potassium hydroxide concentrate blend
- Quickly cleans and emulsifies motor oil, grease, animal fats, vegetable oil, etc.
- Clear colorless liquid
- pH 13.2
- Dilution Ratio:
 - Light Oil 50:1
 - Medium Oil 20:1
 - Heavy Oil 5:1

Part No.	Contents	Unit
KP708	1 gallon	1

Pine Powder Floor Soap

20424

- Economical, non-corrosive, orange powder floor soap turns green color when it comes in contact with water
- Cleans grease, oil, and grime from shop floors leaving a natural pine aroma
- Biodegradable, phosphate free, mild pH floor cleaner works in hot or cold water and hard or soft water
- Separates oil and water so water goes down the drain while oil stays in the oil separator for skimming
- Rinses completely leaving no residue

Part No.	Contents	Unit
KP150950	50 lb. fibre drum	1

I - Chem® Purple Cleaner MP

15242

- Biodegradable, non-flammable, heavy-duty cleaner/degreaser
- Formulated with powerful surfactants, synthetic detergents, butyl cellosolve, emulsifiers and water soluble solvents
- May be used safely on most washable surfaced including concrete, enamel, formica, laminate, vinyl, rubber, linoleum, slate, marble, stainless steel, painted and unpainted surfaces, brick and masonry surfaces and chrome
- Low to medium foaming
- Penetrates deeply into dirt, oils, grease, carbonized matter and stubborn debris to dissolve and emulsify them to be freely rinsed away
- A1 classification for general cleaning, all surfaces
- Purple color with sassafras fragrance
- pH: 12.0 - 13.0
- Dilution ratio:
 - Bath, tile and kitchen areas 1:10
 - Wax stripping 1:7
 - Concrete floor degreaser 1:20
 - General purpose cleaning 1:20

Part No.	Size	Unit
77188	one gallon	4

Misty® Taskmaster Butyl Cleaner/Degreaser

3126

- Butyl-based, low foaming, concentrate
- Water soluble
- High pH 12.5 to 13.5
- Strong cleaning power for your customers toughest tasks
- Free rinsing
- Rust inhibiting characteristics
- Versatile application methods, including high-pressure equipment
- CAUTION : May attack aluminum and etched glass

Part No.	Contents	Unit
77196	32 oz. quart	12
25428	1 U.S. gallon Plastic jug	1
25430	55 U.S. gallon Plastic drum	1

Specifications

Color: Pale yellow/green
 Appearance: Clear, liquid
 Odor: Sassafras perfume
 pH: 12.5 to 13.5
 % Solids: 8.0 to 10.0
 % Active: 16.0 to 18.0
 Viscosity: Water-like
 Flash Point: None (Non flammable)
 Dilute: Up to 30:1
 Specific Gravity: 1.070 to 1.080
 Weight per Gallon: 8.90 to 9.00 lbs.

I - Chem® Green Cleaner HD

15243

- Solvent free, non-butyl heavy duty cleaner and degreaser
- Contains powerful detergents, deodorizers and wetting agents for deep, penetrating cleaning action
- Formulated for the removal of light to medium grease, oil and wax build up
- Works well in hard or soft water
- Low to medium sudsing
- Safe on aluminum and leaves no soap film; non-flammable
- Removes rubber tire marks from concrete floors
- Applications: Industrial plants, building maintenance, schools, auto garages, truck maintenance facilities, heavy equipment dealers
- Apply with brush, sprayer or sponge; agitate as required and rinse with water
- A1 classification General cleaning, all surfaces
- Pink color with bland odor
- pH: 12.0 — 12.5
- Dilution ratio: dilute with water to the concentration desired for effective cleaning

- Grease, oil film, hard water deposits	1:5
- Wax stripping	1:15
- Deodorize	1:10
- Machinery & Equipment	1:10
- Floor cleaning	1:15
- Pressure washer	1:20
- General purpose cleaning	1:20 to 1:50

Part No.	Contents	Unit
77190	1 gallon (3.79 L)	4

Super Grease Gone NB Degreaser

15244

- All-purpose, industrial strength cleaner degreaser for use on machinery, heavy equipment, vehicles and floors
- Emulsifying action lets you easily mop, wipe or spray away grease, oil, dirt and soils
- Suspended materials can be rinsed free leaving no alkaline residue
- Deodorizes as it cleans, eliminating unpleasant lingering odors
- Use with caution on polished aluminum
- Applications include truck maintenance, trash haulers, construction/heavy equipment, municipalities
- Mild detergent odor; pH 12.0 — 13.0
- Dilution ratio: dilute with water to the most appropriate concentration for effective cleaning.
 - Medium duty cleaning 1:40
 - Heavy duty cleaning 1:15
 - Garbage trucks/containers 1:20
 - Soot and carbon remover 1:15
 - Steam Cleaning/Pressure washer 1:40

Part No.	Contents	Unit
C250200	5 gallon	1
C250500	55 gallon	1

Misty® Green - All Purpose Cleaner

15256

- High foaming cleaner formulated with a biodegradable organic extract
- Contains a natural citrus fragrance that deodorizes as it cleans
- High foam clings to vertical surfaces allowing sufficient dwell time to remove dirt, smudges, grease and fingerprints
- Use on walls, doors, ceramic and plastic tiles, floors, bathroom fixtures and more!
- Great for schools, hotel/motels, housekeeping, janitorial and building maintenance
- Product is ready to use or can be diluted up to 1:35
- Green color with citrus fragrance

Part No.	Contents	Unit
324335	1 gallon (3.78L)	4
C21930	5 gallon (18.9 L)	1

All-Purpose Cleaners

2293

Scrub Stuff Foaming Cleaner & Degreaser

- Heavy-duty formula contains millions of tiny "scrub-stuff" bubbles — breaks down the molecular structure of grease and grime; makes them water removable; minimizes labor time
- Thick, clinging foam adheres even to vertical surfaces; eliminates the runny mess common with most degreasers
- Non-toxic — no danger to personnel; no expensive protective clothing required
- Multi-purpose chemistry breaks down and removes grease, oil, wax, silicone, glue, adhesives, tar

Part No.	Contents	Unit
BD1014	20 oz. aerosol; 19 oz. net wt.	6

Chemicals are sold in full unit packages.

All-Purpose Cleaner

2256

- Industrial-strength formula cleans away most all common dirt, grease and grime quickly and effectively; saves labor time
- Abrasive and acid free compound — safe for use on glass, tile, plastic, vinyl, etc.
- Thick clinging foam adheres even to vertical surfaces; eliminates the runny mess common with most cleaners

Part No.	Contents	Unit
BD1012	20 oz. aerosol	6

Chemicals are sold in full unit packages.

Surface Cleaner

16304

- Efficiently removes dirt and soils from a wide variety of surfaces
- Safe for use on almost any hard surface not harmed by water
- Use on walls, rugs, furniture, fixtures, doors, tiles, vinyl and rubber
- Test on remove area before using on painted surfaces or fabrics

Part No.	Contents	Unit
BD1011	20 oz. aerosol; 17.75 oz. net wt.	12

Cleaners

Citral Heavy-Duty Foaming Degreaser

6481

- Utilizes natural citrus solvent to enhance its cleaning and degreasing capability
- Pleasant, fresh fragrance
- Foam clings to vertical surfaces; the foaming action provides more dwell time, allowing the citrus oils to penetrate grime completely for thorough cleaning action on many parts and surfaces contaminated by dirt, grease and grime
- Non-abrasive, non-caustic, non-toxic
- Mild enough for most vinyls and plastics
- Wipes clean without residue

Part No.	Description	Unit
BD1013	20 oz. aerosol; 16 oz. net wt.	6

CRC® HydroForce® Industrial Strength

13083

D
40

- Solvent strength formula
- Dissolves oil, dirt & grease fast
- Concentrated/dilutable
- Biodegradable
- Low-foaming
- Non-flammable
- Safe on most plastics
- NSF # 136912 (C1 Rated)

Part No.	Contents	Unit
014415	28 fl. oz. trigger bottle	12

CRC® HydroForce® All Purpose Degreaser

13084

- Industrial strength formula
- Dissolves oil, dirt & grease fast
- Biodegradable
- Low-foaming
- Non-flammable
- Safe on most plastics
- NSF # 123681 (C1 Rated)

Part No.	Contents	Unit
014407	28 fl. oz. trigger bottle	12

B'laster® Citrus Based Degreaser

6631

- Fast acting, heavy-duty cleaner and concentrated, penetrating degreaser
- Contains nature's strongest solvent
- Quickly removes a wide range of the most stubborn greases, oils, resins, inks, even wet paint
- Can be used for wipe-on-wipe-off applications as well as for dip tank cleaning
- Evaporates faster than mineral spirit cleaners, rinses clean with water and leaves no residue
- Does not contain chlorinated solvents or ozone depleting CFCs
- Non-flammable propellant

Part No.	Contents	Unit
19439	12.2 oz. net wt. aerosol	12
19443	1 U.S. gallon Plastic jug	1

B'laster® Heavy-Duty All-Surface Cleaner

13082

- Fast acting, heavy-duty, penetrating degreaser for heavy-duty maintenance; ready to use
- Biodegradable
- Contains no ozone depleting chemicals
- No 1,1,1 Trichloroethane
- Safe and effective
- Markets: amusement parks, hotels, hospitals, schools, industrial sites, offices and more

Part No.	Contents	Unit
19463	32 fl. oz.	12
19414	1 gallon	4
19415	5 gallon	1
19416	55 gallon	1

Natural Force Multi-Purpose Cleaner

15312

- One-step cleaning, degreasing and deodorizing
- Non-corrosive, non-caustic and biodegradable
- Contains a natural citrus extract effective for emulsifying fats
- Very effective for heavy-duty cleaner, degreasing and deodorizing in all industries for general maintenance
- Safe on finished wood, tiles, metals, engines, linoleum, leather, equipment, concrete, stone and quarry tile
- Dilution ratio of non-aerosol: 4 oz. to one gallon of water
- NSF # 138199 (C1 Rated)

Part No.	Contents	Unit
C241800	20 oz. aerosol; net wt. 17 oz.	12

Gold Line Clear 2000 Industrial Strength Cleaner/Degreaser

30527

- NSF-USDA-A1 authorized - protects against contact with edible products and their packaging
- Concentrated, industrial strength cleaner/degreaser offers a safer alternative to similar multi-purpose cleaners that utilize harsh compounds
- Contains no hazardous components (as defined in OSHA's 29 CFR 1910.1200, Hazard Communication Standard) such as d-Limonene, Butyl cellulose and sodium hydroxide
- 99% biodegradable within seven days for a cleaner environment
- Non-flammable and non-fuming for added user safety
- Low alkalinity (pH 10.4) permits use on any surface that is water compatible
- Economical - dilution ratios can be adjusted anywhere from 1:1 up to 1:100 depending on the application

Part No.	Contents	Unit
KP86853	1 gallon bottle	1

Multi-Kleen

21177

- Economical heavy duty cleaner effectively removes grease, ink, soil, wax, exhaust carbon and food stains
- Non-corrosive formula destroys odors
- Pleasant odor
- Excellent for domestic and industrial use

Part No.	Description	Unit
*CD558701	650 ml. spray bottle	1

*Canada only
